Colorado State University Academic Credit for Attendees of CoTESOL November 2019 Convention

Academic Credit

1. You can earn academic credit from CSU for attending CoTESOL Fall 2019 Convention presentations and workshops (evening functions are not included) and submitting a 4-5 page reflection paper that synthesizes the content of the presentations you attended and discusses how those presentations are likely to inform your teaching. Submit this paper and a completed Academic Credit Form as an email attachment to gerald.delahunty@colostate.edu by November 19, 2019 or submit them to the CSU representative (at the CSU table) at the Convention.
2. Attendees completing the requirements and the Academic Credit Form will earn 1 CSU graduate credit (for EDUC 591A) for attending two full days of convention presentations and/or workshops. Grading is Pass/Fail. The Academic Credit Form is available at this [link](#) and at the CSU convention table.
3. The cost of the credit is \$63.00, which may be paid by check (made out to Colorado State University) or by credit card. Please put your card information in the Payment Information section of the Academic Credit Form.
4. Papers must be formatted in 12 point Calibri font with 1 inch margins. Include your name and full contact information on the first page. Papers received after November 19, 2019 will not be accepted.

For further information on earning this credit, please contact Gerald Delahunty by email at gerald.delahunty@colostate.edu or by mail at 347 Eddy Hall, English Department, Colorado State University, Fort Collins, CO 80523-1773.
